

**Bored of bland boardrooms and corporate settings? Want to take some friends out for a one-of-a-kind, next level outing that is as accessible to both gamers and non gamers alike? Our event venue and meeting rooms are designed to inspire creativity and productivity.**

**From team meetings, outings, brainstorming sessions, off-site gatherings, staff training, to simply getting out of the office a bit – you bring the team, and **we'll take care of the rest.****

# PACKAGE DESCRIPTIONS

With the **Level Up** or **Boss Level** packages you get exclusive use of our event spaces including a private bathroom. The Lounge comes setup with boardroom style seating for up to 25 people, mini fridges, games consoles, a billiards table, and chalkboard walls.

Adjacent to this is our Matrix Room in which attendees can view the gaming arena alongside live in-game footage.

Our third and final room, the VR Arcade, has 8 VR headsets, each set with its own library of games and apps. Our dedicated staff remain on hand as a point of contact throughout to help organise and familiarise attendees with our systems.

# THE MAIN EVENT

Literally the greatest experience in Ireland... literally. With a range of games to choose from, **players can see each other as full motion avatars and communicate through headsets, whilst exploring different areas in the virtual space.** Up to eight players can join in the free roam experience at a time, allowing friends and colleagues to explore virtual worlds, while competing and working together to accomplish the task set by each unique game.

**Gaming sessions are 30 minutes long and we can accommodate groups of up to 50 people playing in rotation.**

For those interested in team outings, group events, birthday parties, and more, we've got you covered for that as well.
