TEAM BUILDING EVENT

All great teams have 3 things in common:

TEAMWORK

STRATEGY

TRUST

Structured corporate team building activities centered on trust, strategy, & teamwork are essential for creating a cohesive & high-performing team. By understanding & implementing these elements, companies can foster a collaborative and productive work environment.

STRATEGY

Warehouse Scale VR Arena

Our state-of-the-art VR experience is all about strategising, from slaying zombie hordes to rebelling against rogue AI or fighting your way out of a pirate infested islands!

This highly immersive experience makes your team think on their toes in choosing a plan of attack that will help each other defeat the common enemy

TEAM BUILDING EVENT

TRUST

What better way to trust your colleagues than letting them instruct you on diffusing a bomb that only you can see? Yeah you read that right!

VR Bomb Defusal

You're alone in a virtual room with a bomb. Your colleagues, the "Experts", have the manual needed to defuse it. But there's a catch: The Experts can't see the bomb, so everyone needs to talk it out..... and fast!

This is the ultimate test of trust and communication.

TEAM BUILDING EVENT

TEAM WORK

Dive into our ultra immersive **VR Escape Rooms!**

Our VR escape rooms offer thrilling puzzle-solving adventures where team members must collaborate to escape a space station, submarine or haunted manor while racing against the clock. Communication and co-operation are key to unlocking the secrets of the room. **It's all about working together to break free!**

Cook'd-Up helps bring out the team player in you!

Enter a virtual kitchen where you and your fellow chefs face the challenge of fulfilling the orders of hungry customers.

Assign tasks, work together and flip as many burgers as you physically can. As you and your chefs progress, the recipes get more complicated, and intensive teamwork is required to keep the customers satisfied.
