# RAVEN PARTY

**VR ARENA  
GAMES**

**STAND ALONE VR  
GAMES**

**CONSOLE  
GAMES**

We've thoughtfully designed our parties to ensure every child is at the heart of the action. For groups of eight kids, the party stays together for the full shared adventure.

For larger parties, we keep the energy high by splitting the group into two squads. This ensures there's zero downtime, so while one half tackles a thrilling 30-minute free-roam VR mission in our arena, the other is already deep in the action in our private party rooms playing on VR headsets and game consoles. Then, they rotate, ensuring non-stop entertainment where every child gets to experience everything.

With this premium package, parents can stay and watch the fun from a dedicated party space. The experience wraps up with 30 minutes reserved for food and cake. We provide water and cordial, and we'll handle the food order (with options like pizza, wedges, or dippers) when you arrive.

**Age :** 9+ recommended

**Ideal Party size:** 8-24 guests

**Duration:** 2 hours

**Available in Sandyford and Swords**
